Hi Rita - the PRP's draft tank removal workplan is below & I would appreciate any comments you may have on this. There's a short fuse on this, so I'd like to get this done by next Tuesday if possible.

Thanks,

Subject Preliminary Draft Removal Action Work Plan

Hi Gary –

Per my voice mail, here is a preliminary draft of a Removal Action Work Plan to be attached to the AOC. As I mentioned in my message, I am sending this to you now, ahead of review by the PRP group as a preliminary draft so you can provide your initial thoughts regarding level of detail, scope, etc. I anticipate some changes from this preliminary draft based on input from the group as well as the contractor selected to do the work. I will keep you posted on those changes as we work through this draft together.

Thanks for your input. Sorry about the size of the file.
